FESTIVAL QUEEN

As the 1980 Sunshine Festival Queen, I have had the busiest and most exciting time of my life. To represent Geraldton is a great responsibility and I wish to thank everyone for supporting me and the Queen Quest the way they did. I have made many friends as a result and would encourage any young lady to enter this event. The money raised will go directly to the people of Geraldton and I am proud to have been able to do something for our town.

Robin Stewart

CHARITY QUEEN

I was proud to reign as Sunshine Festival Charity Queen for 1980. It is very rewarding to know that the money raised will go to those less fortunate than ourselves. We raised money by means of a Quiz Night, Fashion Parade, Country & Western Night, a Floor Show and Disco Night, a toilet chain and various raffles and cake stalls. It was a very full schedule for a few months but it was worth it. I encourage other girls to go in it because you meet a lot of different and interesting people and it gives you a sense of responsibility in the community.
