Message From Geraldton Regional Tourist And Promotion Board

Welcome to the 1982 Sunshine Festival.

The Geraldton Regional Tourist and Promotion Board for the first time is proud to have the Festival come under its wing.

An enthusiastic Steering Committee has made sure that a varied and interesting programme has been co-ordinated.

With our new approach of greater community involvement and the willingness of our near neighbours to enter into the spirit of the programme, will no doubt ensure its success.

We invite you to participate in as many of the functions organised as possible. Your attendance will ensure a greater festival atmosphere and make it a worthwhile time for all concerned.

REG FOX, Chairman,
Geraldton Regional Tourist
and Promotion Board

Mayor's Sunshine Festival Message

In my first year of office as Mayor of the town I have a great deal of pleasure in submitting a special message for the 1982 Sunshine Festival.

It is with interest that I note the theme for this year's Festival is "For the people by the people". Whilst past Festivals have made strenuous efforts to attract visitors to Geraldton there is no doubt that those who obtain the most enjoyment from the event are the people of Geraldton and the region. To those visitors who are in Geraldton for the Festival, welcome to our wonderful town and I hope that you take advantage of the numerous facilities we have to offer.

Most of the events held this year are co-ordinated by clubs and organisations located in the town and region and it is hoped that you will support these by your attendance.

I am confident that the 1982 Festival will again be a successful event.

P. G. COOPER, JP,
Mayor

Message From The Shire Of Greenough

Once again I am delighted to be asked to submit a special message for the Sunshine Festival.

Vitality is the spice of life and so too is the approach of the organisers of the 1982 Festival.

The Geraldton Regional Tourist & Promotion Board play a major part in focussing attention on the Town and it is only fitting that they should become integrated with the whole operation.

An imaginative programme spanning 11 days has been created for the benefit of you and me — the people.

Your enjoyment will be relative to participation and attendance. Let's all be in it and make the 1982 Sunshine Festival a great one!

R. W. MASLEN, JP,
Shire President
