MESSAGE FROM THE GERALDTON REGIONAL TOURIST AND PROMOTION BOARD AND SUNSHINE FESTIVAL STEERING COMMITTEE

On behalf of the Geraldton Regional Tourist and Promotion Board and the 1983 Sunshine Festival Steering Committee, it is our pleasure and privilege to extend to the people of Geraldton, and our visitors, an invitation to join with us in the celebration of our 25th Anniversary Geraldton Sunshine Festival.

The celebration of this year's Festival becomes more significant when it is realised that we are also paying tribute to the longest running regionally based Festival in Western Australia. Credit for this achievement must of course go to those people who have, over this 25 year period, given so much of their time to make the Festival such an outstanding success.

Special recognition must be given to this year's organisers and helpers: the Steering Committee for their tireless work over the past six months; the many volunteers who have worked in the background; and the local community and business houses for their support and encouragement.

Our 25th Anniversary Festival has retained the very successful 1982 Festival motto — FOR THE PEOPLE — BY THE PEOPLE. It is your Festival, presented to you for your participation and enjoyment.

Let's make our 25th Anniversary celebration one to remember.

REG FOX,
CHAIRMAN,
GERALDTON REGIONAL TOURIST
AND PROMOTION BOARD.

IAN JOHNSTON,
CHAIRMAN,
SUNSHINE FESTIVAL
STEERING COMMITTEE.

MAYOR'S SUNSHINE FESTIVAL MESSAGE

It is with a great deal of pride that I reflect upon the successes of the 24 years of operation of the Geraldton Sunshine Festival.

I pay tribute to those people who have contributed to the Festivals over the period and commend this Twenty Fifth Festival to both visitors and local residents.

Once again the organisers are to be congratulated for the local content in this year's Festival, for after all it is "The Geraldton Sunshine Festival" and the many visitors that attend the numerous attractions want to see how Geraldton does things in Geraldton.

To the People of Geraldton I invite you to join in and take part and enjoy the Festival and attractions that have been provided for you and on your behalf I am pleased to congratulate the organisers of the '83 Festival.

P.G. COOPER J.P.
Mayor

MESSAGE FROM THE SHIRE OF GREENOUGH

With very great pleasure I would like to congratulate the Chairman and members of the Committee of what will be the 25th consecutive Sunshine Festival to be held in Geraldton.

The value of the Sunshine Festival for Geraldton over the last 25 years is impossible to quantify in dollar terms. However, the overall benefits of — placing the Town of Geraldton on the tourist map; the development and promotion of community pride and support; and the provision of a yearly celebration period, must stand as a very great credit to this region and particularly to the people who have served on this Committee.

To our current Chairman, Mr Ian Johnston, the members and others associated with this year's Festival, I would offer congratulations and best support from the ratepayers and Councillors of the Shire of Greenough. I hope that we will continue to see your efforts duplicated in the future, and I trust that the results of the 25th Sunshine Festival will be everything that you have planned.

Congratulations and well done!

J.S. GOULD
Deputy Shire President
