Batavia Coast GERALDTON SUNSHINE FESTIVAL

ABOUT THIS BROCHURE . . .

The Sunshine Festival programme is your guide to all the fun and excitement of the 29th annual festival. This guide gives you specific details on all the action over the 11 days of the festival. There's a page-by-page guide to each day's events so you can plan where you want to be and when.

Read about the 17 lovely ladies who have set their sights on becoming this year's Sunshine Festival Queen, a tradition that goes back to the first Sunshine Festival in 1959.

There's a page outlining activities set aside just for the children and one on the special 'Sunshine' events planned by a local group of committed Christians.

Interspersed with details of the Sunshine Festival is information about the festival sponsors. We ask you to support them.

And we've even set aside a page to tell you about us ... the hardworking committee which has planned and presented this year's Sunshine Festival. The Sunshine Festival is about having fun. Keep your guide handy during the 11 days and you'll never be far from knowing where to find your type of fun.

THE 6GE SUNSHINE FESTIVAL DIARY . . .

While we've planned a programme as a general guideline, we can't predict everything about the 29th Annual Sunshine Festival. So to keep you reminded of the planned activities and informed of the last minute changes, tune in each day to Radio 6GE — 1008 on the AM dial — and listen to festival co-ordinator, Graeme Maus, present Festival Diary. It'll be the best way to keep up to the minute with this year's festival.

Welcome

A Special Message from Phil Cooper J.P., Mayor of Geraldton

Welcome to **Geraldton** and the whole Batavia Coast, for this our Sunshine Festival, Western Australia's longest established community festival. Whether you are a local or a visitor I know that you will find many things to interest you in the following programme of events. I commend the work of the **Geraldton**

Tourist Bureau and Promotion Directorate and the Sunshine Festival Committee in particular for their tireless efforts in creating such a varied and innovative programme.

Geraldton has always been a favourite holiday spot with everything for a memorable holiday. **Geraldton** blends history with holiday fun, activity with leisure, sport with culture, all in a casual atmosphere. No matter when you arrive with **Geraldton's** round-the-calendar schedule of events something will be happening.

Wildflowers flourish from August to October. Fresh crays are available every day from November to June and we've even turned the wind into an asset.

Boats, kites and music are all part of an annual Winds Festival held the first weekend in March. You'll be a welcome guest at any of the more than 200 clubs and societies here. There's an organised group to fit in with every imaginable leisure-time activity. You can become instantly involved in abseiling, lacemaking, square dancing or four-wheel driving just by contacting a local club.

Because **Geraldton** is on the coast the scope for water sports is endless.

Both windsurfing and surfing are the focus of major competitions held here. Drop a line off a jetty or amongst the reefs at the Abrolhos for fresh fish.

Land-based sportsmen are offered excellent facilities, centred at Eighth Street, Wonthella and Spalding. Culturally **Geraldton** has come of age. A plush 660 seat Theatre, a Museum which reveals the secret of the Mid-West's past and an Art Gallery which is just as likely to feature local artists as it is Whiteley and Olsens, are the key points in the town's cultural life.

For those who absorb and reflect the past **Geraldton** has preserved that as well. Several magnificent turn-of-the-century buildings remain - the courthouse, railway station and the former town hall.

Just south of **Geraldton** is Greenough Hamlet, the largest collection of historical buildings in Australia. Where once a thriving rural community was centred, now artists and craftsmen find peace and inspiration for their talents.

The architectural style of Monsignor John Hawes is also to be seen in several parts of the town, most obviously the St Francis Xavier Cathedral.

Bushwalks along the Chapman River, scenic drives around the coastline and into the hinterland and long stays at any of the many beaches provide the leisure seeker with holiday options.

Restaurants, concerts, intimate bars and lively clubs provide the nightlife. **Geraldton** has all that is needed for a holiday - variety, of Sun, Sea and Scenery.

The people have the smiles to make you think you haven't left home.

For months now, a commendable group of local people have worked voluntarily and tirelessly to bring this year's Sunshine Festival to fruition.

They have aimed to, and succeeded, in organising a Festival that reflects Geraldton's approaching City Status with a Programme packed full of activities and events exciting for spectators and participants from our immediate community and statewide.

Sincere gratitude is extended to the many people, individuals and business houses, who have supported the Committee with their donations, sponsorships and services, and suggestions.

Thanks must also go to the Committee for their hours, days and months of free time devoted to the formulation of the events and the ensuring of each ones success.

We ask you to participate and become part of this wonderful 1987 Batavia Coast, Geraldton Sunshine Festival.

Festival Queen

ABOUT THE QANTAS QUEEN QUEST . . .

One of the highlights of the Festival each year is the crowning of the Festival Queen.

We have been fortunate in having 17 lovely Princesses working harmoniously to raise funds to support and promote the Sunshine Festival.

They have been very generously sponsored into the quest by business houses of Geraldton.

The main form of fundraising this year has been in the form of a 'Monster Raffle' which was put together with generous donations from approximately 30 business houses. This Raffle will be drawn on October 1st at the Downtown Traders Mardi Gras. The girls have also been busily involved in all sorts of other fundraising and have given their time consistently.

The winner of the Qantas Queen Quest will win a trip for two flying Qantas to Hong Kong, where they will receive 7 nights accommodation at the Ambassador Hotel, Kowloon, courtesy of 'The Holiday Factory' and Security Travel, Geraldton. As well as this wonderful trip one of Geraldton's leading jewellers, Verity's, has donated a gold bangle specially designed and made for this event; plus spending money of \$100 from both the A.N.Z. Bank and Commonwealth Bank, and a \$50 voucher from Wolf's Watch Forum.

The Ansett Miss Fundraiser wins a trip for two from Geraldton to the Gold Coast courtesy of Ansett W.A. where The Resort, in Surfers Paradise, have generously provided 7 nights accommodation plus spending money of \$100 from Westpac, Geraldton and the Commonwealth Bank, and a \$50 voucher from Mazzucchelli's.

Wright's Fashion Salon have once again donated a clothing voucher for the Encouragement Award.

All the entrants will receive:

1. Full size Portrait - courtesy of Peter Drew of Leticia Graphics, Geraldton.
2. Martin Wells - Bondi Collection Sunglasses - courtesy of Harry Abrahams Opticans, Geraldton.
3. Floral Spray - courtesy of Jill Dixon, Forever Green, Northgate.

SPOT THE TREASURE

THURSDAY 24th September to Thursday 1st October
In Marine Terrace. Commencing the opening night of the Festival the retail traders will place in their window displays an item which is a 'Treasure'. It could be goggles, flippers or snorkel in a shoe shop window or an underwater lamp or shovel in the Chemist's. There will be 20 different items on display in different shops. Pick up an entry form from any participating store, fill it in with what you think is the 'Treasure' item and return the form to the Tourist Bureau. All entries are free and must be received by 5pm on Thursday October 1st. Winners names will be drawn during the Thursday Mardi Gras Night.

WINDSURFING

Geraldton residents, and indeed the whole of Australia, are becoming aware that the town is a windsurfers haven. It is presently ranked as No. 2 in the world windsurfing venues and is steadily increasing in popularity.

On September 26th/27th (Saturday/Sunday) this year, for the Sunshine Festival, competitors from all over Australia and the world will be competing in the National Wave Sailing Championship heats. Geraldton has the potential of becoming the sailboard mecca of Australia and with the establishment of our own professional sailboard training school the sport can only grow and increase in popularity. A special Club day on the 28th September (Monday) has been organised for those interested in trying windsurfing or to just watch and relax as renowned windsurfers whip up a host of exhibition events in magical windsurfing conditions. Geraldton's unique sunny climate and consistent winds have assisted windsurfing to increase in popularity as a sport, recreation and a competitive activity. On January 23rd, 24th, 25th, 1988, Geraldton will host a major windsurfing event with prize money upwards of \$10,000, sponsored by the Tarcoola Tavern.

Competition windsurfing is instrumental in attracting people to Geraldton to experience the exhilaration of windsurfing.
