Saturday 5th October

Our children have had exciting opportunities at Geraldton Grammar School

"Chris and Felicity have had opportunities we could only have dreamed of at Geraldton Grammar School. Chris has taken part in an expedition to Africa's Mt Kilimanjaro, earned his silver medal with the Duke of Edinburgh Awards and will spend a year in the UK next year on a GAP program. As for Felicity, she's just come home from two week's exchange in Melbourne and heads to Italy with her language class next year. With smaller class sizes, dedicated teachers and excellent facilities, we really feel we've done the very best for our children sending them to Geraldton Grammar School."

Geoff and Helen Noonan

Provide these opportunities for your child.

Attend the Geraldton Grammar School Twilight Tour

Wednesday 16 October

Commencing 6pm with a Principal's address, followed by a guided tour and concluding with the opportunity to mingle with our teachers over wine and cheese.

2002 Sunshine F E S T I V A L

Welcome from the Chair Karina Thomason

As a result of the great success of last year's Festival this year every event has been improved and most have been expanded. This is due in large to the generous support from our Sponsors. I would ask the people of Geraldton and the Mid West to please take the time to note who our sponsors are and see who is really supporting the community. The Festival's major sponsors are the City of Geraldton and Iluka Resources. We also bring to your attention our Gold Sponsors Western Power, Masters, Broadwater Hotels and the Geraldton Guardian.

The Sunshine Festival brings in \$100,000s to the local economy. It also promotes Geraldton and the Mid West in a very positive light. But most of all it creates Community Spirit. So I encourage the community to become more involved in the Festival because it is the whole community that benefits.

This event is not possible without the tireless energy of the Festival Committee, please note who is on the committee and when you see them next, a 'pat on the back' will go a long way.

Shine Geraldton.

Welcome from the Mayor Vickie Petersen

The Sunshine Festival has long been a celebration and festival of Geraldton's fantastic attributes. Our weather at this time of the year is superb, lots of activities for young or old and a holiday atmosphere all contribute to making Geraldton

THE place to be during the September/October holidays.

This year we are also celebrating the excellent working relationship that has developed between our Tourism organisations and Local Governments. These burgeoning relationships will see us well placed into the future to meet and capitalise on our Tourist Potential.

Geraldton is coming of age – and we will signify this with a formal declaration of our City as a Tourist Friendly Zone. This will be a signing of a declaration of intent between the Tourist Industry Bodies and the Local Governments in Geraldton and Greenough.

I look forward to being part of this declaration and of being part of the future that we are creating as a community.

Go out and have a fantastic time over the festival.
