Let's make Bottle Lid Lantern

Let's celebrate the Festival of Light by making a lantern with recycled bottle lids! We will use hammer and nails to make holes on the lid, then thread pipe cleaners with some beads, and use yarns to make tassels of your own. What colour combination will your lantern look like?

Date: 1st November, Saturday

Time: 10am-12pm

Venue: Geraldton Regional Library – Randolph Stow Meeting Rooms

All are welcome, there is no cost or bookings, just come along. Family Creative Studios are suitable for all ages, we have a play corner to cater for your youngsters.
